

MANAGED SERVICES BY INNOVSOURCE

SLA-Driven Workforce Solutions with Greater Strategic Value

At Innov, we build and implement customised, SLA-driven workforce solutions that go beyond just deploying manpower, but also training, executing and governing the workforce to ensure a seamless project experience. In other words, we deliver all the advantages of staff augmentation, but with greater oversight and strategic value.

Our solutions are high-impact and tech-enabled with defined outcomes, bringing process excellence and real-time visibility into operations and strategic value in development, deployment and transitioning process.
